*Hi to all my fellow HTC members.*

*I hope this month's newsletter finds all of you healthy and with positive attitudes. Our rally for 2015 is fast approaching, and we hope you are planning to attend. This year it will be in upstate New York in Verona, just off 90 (New York Thru Way.) Ron and Toxie McClain have been very busy to make this a great rally and one that you will fondly remember.*

*A reminder to everyone that this is my last year as your president due to term limits in our by-laws. So please think about serving as president or some other office for your club. Anyone who would like to be elected as our president, please call me so we can gather the nominees for the consideration of our members. We will have a full list of officer openings at the rally in September. As usual our elections will take place at our national rally.*

*We have had some new members sign on since our rally in South Dakota last year. It is our hope that they will attend the rally this year.*

*I was able to secure another 4 issue agreement with the Ability Center to advertise in our newsletter. If you need work done on your lift, equipment or wheel chair, please patronize them and show our appreciation. The Ability Center has stores in California, Nevada, and Arizona.*

*Till next time we talk, be good to yourself and be good to each other.*

*Roland Winters, Jr.*

As this is written I am ~~still in~~ the process of getting a contract with the Resort to have at least 10 rooms held for us at The Inn at Turning Stone (\$79+, the most economical at the Resort). If you book a room before contract is finalized you should get our club rate when it is completed. Inn is 2 story with no elevator so get on 1st floor!

Microtel Inn and Suites by Wyndham Verona is the closest hotel to the RV park (almost across the road!) Rates from \$77

# Lunch Bunch

The Mesa Chapter had their once a month get together on December 4th at the Iron Works Country Club Restaurant. One of their favorite places because we get a private room, the food is good, and the service is great. We had a fair turnout with eight members present. The conversation was all about Christmas, but you would not know it with a temperature of 80 degrees. Those in attendance: Mary Bailey, Roland, Carroll and Jenni Winters, Clark Bostwick, Jim Bley and his caregiver, and Earl Brown. When next time you are in our area stop for lunch. Roland
